Dear Don,

I want you to know how impressed I was with the recent work (a large project) your company did for us at the Bethel Church in July of this year.

Right at the start both you and your staff were very personable and conscious of our needs. I really enjoyed how you worked with us in a timely manor, never leaving us any doubt about exactly what you were going to do and when. Your expertise in the field, workmanship and a tidy jobsite always let us rest easy at the end of the day.

Your honesty and integrity, along with detailed notes and communication, proved for me that your word was as good as gold.

In the future, I would work with your company at the drop of a hat and will recommend you to all my friends.

Sincerely,

Cliff Siebert
Sr. Pastor
