RE: DONMATTILA – CONTRACTING BC RESTORATIONS

I have been asked to provide a letter of reference for Don Mattila of **Contracting BC Restorations**.

I have known and worked with Don on several occasions now over the past few years. He has been a resident of Quesnel for over 25 years, and has earned an excellent reputation in the community. His certification and knowledge of his business speaks volumes for me. I have the up most confidence and comfort knowing that if Don is on the job, it will be done, and it will be done right. He has made a concentrated commitment to his work, and is very honest and approachable. I have also utilized Don's service on my own personal properties, and would not hesitate to do so in the future.

I feel confident you will be more than satisfied with Don's job performance and I would be happy to answer any questions, should you have any.

Respectfully,

LESLIE JOHNSON
